

Employment Opportunity with Terra-Forma Education

Seeking individual for cooperative program and curriculum development. Interest and experience in storytelling, hero's journey and rites of passage. Ability to co-lead/lead 8 one-week day camp adventures for youth ages 6-10 with a focus on environmental education combined with mythic journey and magical realism. Programs are based on myths and legends from different cultures around the world; please visit terra-forma.org to learn about our programs before applying.

Immediate focus will be developing summer programs leading into year-round rites of passage programs for youth ages 10-13. Professional development includes challenge course facilitator training and wilderness first aid certification. Advancement potential includes full time employment and mentoring for non-profit organizational leadership. Send resume and cover letter with details about experience working with youth to caveman@terra-forma.us. Employment begins April 1st.
